SWE312: Software Construction & User Interfaces

Bonus Question (4 Marks)

- Due date: Monday 11th, of November 2024.
- Work INDIVIDUALLY. No group work is accepted.
- Stick to deadlines! Late submissions will not be accepted.
- Submit your solution to the LMS system, do not send it by email.

Q1. Create a JavaFX GUI with a TextField for entering an age, a "Classify" button, and a label for displaying a message. When the button is clicked, it classifies the input as "You are old" if the age is over 60 or "You are young" otherwise.

Sample Run:
